## Institution Industry Cell

### Introduction

Udaya School of Engineering constituted Institution Industry Cell, As per the AICTE regulations. The Institution Industry Cell (IIC) of the college is a dedicated cell to promote the close interaction of industry and various departments of the institute. The IIC Cell facilitates consultancy, sponsored R&D projects and industrial and academic trainings those are not prescribed in the syllabus in addition to conducting industrial exhibitions and interaction meets.

Every department implements various programs/activities in conjunction with the departmental coordinator, HOD, and Central IC Coordinator, The Cell's mission is to foster closer collaboration between academic and industrial fields. The Industry Institute Interaction Cell was formed to improve relations with industries.

### Activities of IIC cell:

- To arrange industrial training for students and identify student project work in Industries.
- To interact with R&D Organizations for conducting joint research work involving faculty/scientists and students/research scholars etc.
- Personality development workshop for students relating with soft skills (communication skills / personality development).
- Guest lectures by eminent personalities, academics, leading industrialists at regular intervals to update the students knowledge.
