

# UDAYA SCHOOL OF ENGINEERING

Udaya Nagar, Vellamodi

## Internal Quality Assurance Cell (IQAC)

### Introduction

In Udaya School of Engineering, has constituted the IQAC in the year of 2017. The IQAC has been consistently and actively involved in quality sustenance and quality enhancement activities. The main goal of IQAC is to promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices.

### Objectives

The objectives of the IQAC are

- Enhancing and ensuring the quality of academic and administrative performance of the institution
- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the college.

### Strategies

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and proper allocation of support structure and services
- Sharing of research findings and networking with other institutions in India and abroad.

### Functions

Some of the functions expected of the IQAC are as follows:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution

- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
- Development of Quality Culture in the institution

### Benefits

IQAC will facilitate / contribute

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- Ensure internalization of the quality culture
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices
- Provide a sound basis for decision-making to improve institutional functioning
- Build an organized methodology of documentation and internal communication.
